

Classic. Elegant. Timeless.

Flawless architecture and design that grows richer & more refined with each passing year. These are the homes of Hill Pointe.

A tribute to those glorious old city neighborhoods that matured over time, each Hill Pointe home helps create an eclectic streetscape that seamlessly blends English, Tuscan & traditional architecture.

Tucked away on a tranquil hilltop in North Chattanooga, this gated community offers panoramic mountain views. An ornate gatehouse, mature meticulous landscaping & sophisticated exterior lighting design add to the timeless elegance of Hill Pointe.
